

August 23, 2021

Hey parents!

My name is George Janke, and I'm the club's president for 2021. Our officer board--comprised entirely of current players--has been working tirelessly all spring and summer to prepare for the upcoming fall season. Between classes, internships, and training, it's been a lot of work, but we couldn't be more excited for the fall. After all, it's been 534 days since we've had a Michigan Rugby game.

There are a number of ways you can support us this fall. The first is by watching our games! Our schedule is on [mrugby.com's homepage](http://mrugby.com), and if you can't make it in person, we'll have live streams. Additionally, there are a few ways you can help us logistically on game days, since all of our officers are players, too. Our biggest need is the setup of [gameday meals](#), but we could also use some photography and field setup/takedown help. Reach out to me if you're interested (grjanke@umich.edu). Finally, if you're unable to help out in any other way, we're always [accepting donations](#). It takes a lot of money to run the club, and donations are our biggest source of income.

I hope to meet all of you in person in the near future. Parents Weekend is on October 23 vs Purdue. See you there!

Go Blue!

Cheers,
George Janke
