Michigan Rugby Parents!

My name is Tommy Hendricks, and I'm thrilled to be reaching out to you as UMRFC's 2022 President! I'm excited to inform you of our relentless administrative progress since your most recent update! Expanding our club's officer board to include non-players in addition to our traditional board of player-officers has presented us with the capability to utilize some incredible talent that students at this university have. Our publicity, financial, community, and logistic departments have all taken great leaps forward recently. Having acknowledged our administrative growth, I can safely speak on the behalf of all 61 of my teammates when I say that the most exciting part of this semester is going to be playing high-caliber 7s rugby around the nation!

I hope you're as excited as we are because there are plenty of ways you can help out! The easiest way to support is watching our games. Our spring schedule and livestream link are posted on mrugby.com; we'd love to see you in person too! Our logistics department, team managers, photographers, and other officers would surely appreciate all the help they can get on gamedays as well. If you are looking to get involved in any capacity, do not hesitate to reach out to me at tlhendri@umich.edu. Of course another way parents have helped out before is through very gracious donations. Historically, our largest portion of funding is from direct donations. You can learn more about financial support at mrugby.com/support. Don't forget to keep an eye out for an update on [Giving Blueday](#) coming up mid-March. We appreciate any and all support from family and friends.

I am very excited to meet you after games this spring!

Go Blue!

Cheers,
Tommy Hendricks
